

AAKI

6" XD STATIC BONDING SPOOL

OVERVIEW & APPLICATIONS

Aaki's vehicle mount bonding spool can be bolted or welded to the vehicle frame or tank. Provide a convenient system to help dissipate potentially dangerous static voltage, reducing the chance of a dangerous explosion. The XD or 'Extreme Duty' is built to withstand the harshest environments.

The perfect solution for your anti-static bonding requirements.

Slim, 2" Core

Standard, 4" Core

Applications

Vacuum Trucks
Tank trucks
Pumper trucks
Snubbing units
Coil tubing units

Coal Hoppers
Grain Elevators
